1. The amendment and Information Disclosure Statement filed 23 September 2004 have been entered. The following Examiner's Amendment is provided to correct minor omissions.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

IN THE CLAIMS:

Claims 53 and 54, line 5 after enhancing, insert the word, agent

3. The following is an examiner's statement of reasons for allowance: Applicants show a pharmaceutical composition in the form of a single layer tablet or a capsule that provides controlled drug release. Dosage forms comprised of gel forming polymers, gas generating agents and viscosity enhancing agents formulated to provide sustained release of drugs are known. Chavkin US 4,613,497, considered the closest prior art of record, shows foamable pharmaceutical compositions comprised of such agents. The appearance of swelling results from the effervescent agents foaming. The prior art does not show nor fairly suggest applicants' particular combination of a drug, a gas generating component, a swelling agent, a viscosity enhancing agent and optionally a gel forming polymer formulated such that the combination enables a controlled gas powered system to act as a controlled drug delivery system. The combination wherein the swelling agent can swell at least twice its original volume differs from the foam of the

prior art in that a cross linked three-dimensional molecular network system is formed retained in the stomach longer and releases the drug over a sustained period of time.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Claims 1, 4-10, 14-16, 18-20, 23-33, 35-46 and 51-54 are allowed.

Claims 2, 3, 11-13, 17, 21, 22, 34 and 47-50 have been canceled.
